About the donor	Grosvenor Estates is an international property group which established its first scholarship with the China Oxford Scholarship Fund in 2005. Grosvenor Estates is one of the operating companies of the Grosvenor Group whose business interest covers Asia, Great Britain and Ireland. Grosvenor has been involved with creating an international network of university partnerships in China to further its commitment to higher education in the United Kingdom and China. The Award is funded by the Westminster Foundation, the Grosvenor family's private charitable organisation.
